# DISTILLED

WORLD SPIRITS FROM  
CARLSBERG MARSTON'S BREWING COMPANY

We are Distilled, and we're kind of into spirits. Sipping them, mixing them, reading about them, writing about them, talking about them and, well, you get the picture. Spirits are a funny category in the drinks industry; there's no other kind of drink that is so fiercely owned by bartenders. Not wine, not beer, not soft drinks. The fantastic thing is that this ownership is not individual - it's communal... bartenders love to support one another in their learning, share cocktail recipes and taste new or rare spirits together.

Distilled has grown from that culture of bartenders sharing and supporting each other. We are about more than this vaguely flashy ad in a magazine. We are about helping you create your offer, showing you new things, or maybe just being there to support you as you fine tune something that's already doing the trick.

We're constantly working on tools to make this happen...
