MEET THE NEW STAND OUT PILSNER GLASSWARE FROM BROOKLYN BREWERY

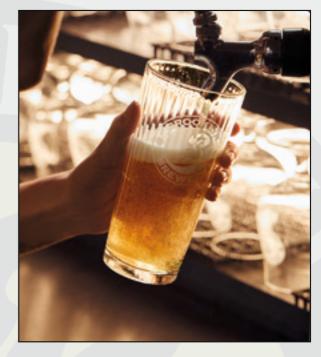

One year on from the successful launch of Brooklyn Pilsner, Brooklyn Brewery is set to launch its latest glassware to the on-trade this May, as it continues to bring a taste of its iconic namesake borough to the UK.

Brooklyn Pilsner is a crisp, bright and refreshing lager that's inspired by Brooklyn and brewed for all. A bright golden, premium lager that layers clean malts with a balanced wave of bright hops, crowned by an instantly refreshing finish.

This lager is made to be enjoyed by everyone and offers light toasty flavours and spicy, subtle citrus hop notes. The bright yellow of the bottles, cans and now glassware is synonymous with the dynamism of NYC.

Sitting proudly next to Brooklyn Pilsner on taps and shelves across the country is Brooklyn Special Effects, the brewery's low-alcohol offering that's quickly achieving viral status as a hoppy amber lager that tastes just like a regular beer, and Brooklyn Lager, that combines toffee and caramel flavours with a dry-hopped aroma, full of grapefruit, flowers and pine.

Brooklyn Pilsner glassware will be sent to all existing stockists from the end of May and is also available for all new accounts. For more information on Brooklyn Brewery and its UK portfolio, visit the website or Instagram.

The new glassware, available in pint and half-pint formats, is made from super premium, weighted glass, and ultimately pays tribute to the heritage of the brewery and the foundation of its identity.

A brand intrinsically tied to the communities in which it finds inspiration, Brooklyn Brewery runs on the energy of its people, fuelled by values of creativity, diversity and inclusion.

The premium glass tells the story of the borough with the brand's infamous doodle artwork and a cityscape narrative of NYC around the base. Amongst the artwork are symbols of the city, from doughnuts to taxis and bridges, which circle around the base and lead to

the centrepiece of the illustration – a sketch of the brewery itself.

The unmistakable Brooklyn Brewery logo sitting at the peak of the building was created by world famous Milton Glaser, designer of the state's official 'I heart NY' logo.

Pedley's Picks

Every month Jonathan Pedley, Master of Wine, talks through a pair of wines that he has specially selected to be highlighted over the course of the year.

Famille Ravoire

Côtes de Provence Rosé "Chantrose" 2022

Pierre Vieillescazes, the oenologist at Ravoire, carefully selects parcels of black grapes from across the Côtes de Provence appellation to make Chantrose. In 2022 the varietal composition is 55% Grenache Noir, 35% Cinsault and 10% Syrah. Once at the winery the grapes are pressed gently, with the resulting juice being chilled down to 10°C to preserve the delicate aromatic compounds. A slow fermentation then follows. After a brief maturation during the winter the wine is bottled. Chantrose has a palish pink appearance. The nose is youthful but restrained. After a while subtle red fruit aromas come through. The palate is bone dry with vibrant acidity. Juicy fruit and some weight provide balance. Well chilled (8°C), this sort of rosé is perfect to drink on its own or as an accompaniment to grilled fish.

Bodegas Piqueras Marius Reserva Almansa 2017

A fullish bodied and satisfying red wine that is intense and complex on

Mid to deep garnet colour. Quite an intense and complex nose: dried fruits, vanilla oak and leathery aged notes. A fullish bodied and satisfying palate. The tannins are ripe and rounded.

\l DISTILLED

WORLD SPIRITS FROM CARLSBERG MARSTON'S BREWING COMPANY

We are Distilled, and we're kind of into spirits. Sipping them, mixing them, reading about them, writing about them, talking about them and, well, you get the picture. Spirits are a funny category in the drinks industry; there's no other kind of drink that is so fiercely owned by bartenders. Not wine, not beer, not soft drinks. The fantastic thing is that this ownership is not individual - it's communal... bartenders love to support one another in their learning, share cocktail recipes and taste new or rare spirits together.

Distilled has grown from that culture of bartenders sharing and supporting each other. We are about more than this vaguely flashy ad in a magazine. We are about helping you create your offer, showing you new things, or maybe just being there to support you as you fine tune something that's already doing the trick.

We're constantly working on tools to make this happen...

Creating a cocktail menu for your outlet can be a pretty daunting experience...

A lot of operators have worked their way up through bartending, making a cocktail menu refresh kind of a hands-on experience. Some prefer to let their bar team take on some ownership and create a menu between them, where some like to outsource entirely. There's no real right answer here, just what works best for you and the time that you have available, but creating a cocktail menu shouldn't be a hassle...

WORLD COCKTAIL DAY

We have plenty of tips and tricks to get the most out of your list as the team at Distilled have decades of combined experience in operating cocktail outlets, training and creating menus for them. Trading with Distilled is more than §just buying spirits from a wholesaler, it's access to experience, tools and a consultative approach to finding out what is best for you so that we can get your range working hard.
